SUMMER 2026

Dear Member,

Please find below your Renewal of Subscription and Ring order form for 2027.

- ★ **Please note that ring orders received at the Society's office by 12 noon 16 October 2026 will be posted on Thursday 26 November 2026. If you rely on the early delivery of your rings please bear this in mind when pairing your birds. Please allow at least seven working days (Monday 7 December 2026) before contacting the BS to progress the delivery of your order. All queries relating to the dispatch of rings must be through the BS and not the ring makers.**
- ★ This form is sent with the July/August and September/October issues of "The Budgerigar". Please note that if the form received in July/August issue is used for the payment of 2027 subscriptions/ring order the further form sent with the September/October issue may be retained for future use. It should not be necessary to contact the BS Office for confirmation of your order if a S.A.E. is sent with the Subscription/ring order payment.
- ★ It is preferable if you re-new your subscriptions and order rings by logging onto our website www.budgerigarsociety.com and then go to the SHOP
- ★ If you are paying by post is is easier to pay by Credit/Debit Card or cheque - do not send cash. Telephone orders will not be accepted
- ★ Partnerships – Please ensure that your subscription/ring forms are sent in the same envelope as returned forms will result in the delay in processing your order.
- ★ **Rings – All rings will be laser etched. Orders CANNOT be split between standard rings and Colour Budgerigar rings on the same form - use a separate form for each order - photocopy, request another form, download from website or wait until the September issue. The ring numbers for all orders must run consecutively, you cannot order say ring numbers 1 to 20 in standard rings and also ring numbers 1 to 20 for Colour Budgerigar rings - you should order ring numbers 21 to 40 for them. As already stated, if you are ordering both sizes of rings you must use a separate form for each of them.**

May I remind you that your rings will be sent to the address given at the time of ordering. If you subsequently change your address it is your responsibility to have your mail re-directed to ensure that your order is received. All orders received at the BS office by 16th October 2026 will be dispatched on 26th November 2026. If the order is received after that date please allow a minimum of six weeks from receipt of order for the delivery of rings. Please ensure that the correct money is tendered and that your cheque is signed and dated (no post dated cheques please). If for any reason your order has to be returned it could delay your rings as orders are processed in strict date order.
